## School Council Trip

Dear Parents/Carers,

You should have recently received a letter by email regarding an exciting project called 'BottleShips'. The idea behind this project is to raise awareness of recycling and plastic pollution, and to help children understand that they can make a difference. Some of the plastic bottles donated will be used in school for artwork, but most of the bottles will be taken to St George's Park to help create a giant ship made out of bottles!

School Council members have been given the opportunity to attend a workshop at St George's Park in Great Yarmouth to help build the BottleShip. The workshop will take place on Thursday, 24<sup>th</sup> March in the afternoon. A minibus will be picking children up around 1:00pm, and returning children to school by 2:45pm ready for home time. The workshop will last approximately one hour, and there will be a sheltered area for children to use if it rains.

Please fill in the slip below and attached form if you would like your child to take part in the BottleShips project.

Yours sincerely,

Mrs L. McNulty  
**PSHE and School Council lead**

.....  
**To the Office:**

Name of Child..... Class.....

I would/would not like my child to attend the BottleShips workshop at St. George's Park in Great Yarmouth on Thursday, 24<sup>th</sup> March 2022.

Signed: \_\_\_\_\_
