Dear Parents and Carers,

28th June 2022

We hope you have all seen the staffing arrangements for the next academic year and have been informed of your child's new class teacher. If you have not, please contact the relevant school office for this information. Please be reassured that it has taken several conversations between staff and school leaders to ensure the best possible decisions for the children have been made with regards to their new class arrangements. These decisions have factored in, pupil numbers, additional needs, friendships and academic abilities.

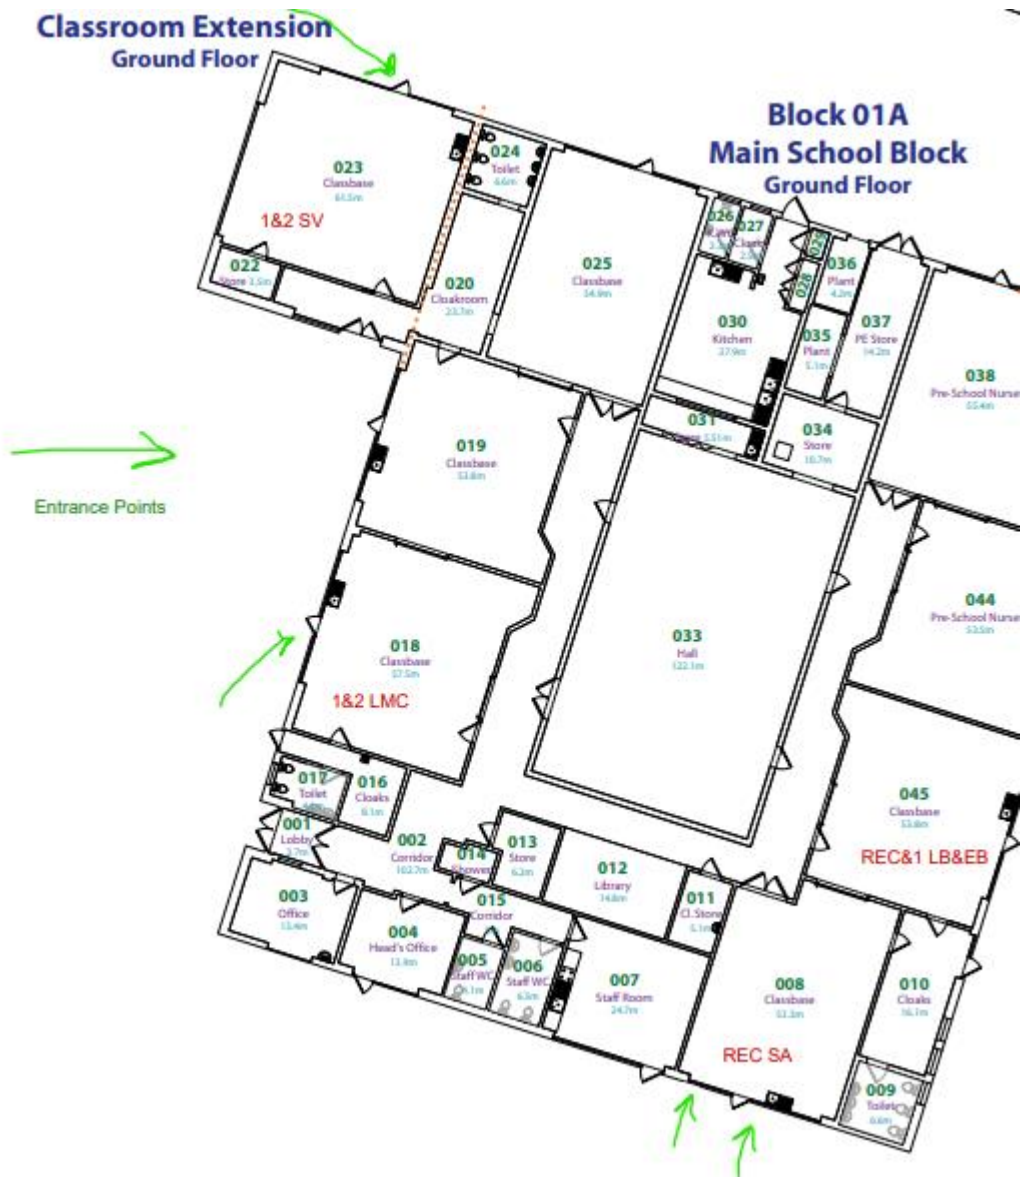

The transition day on Monday 4th July will see classes spend time with their new teaching staff. Please attend school as normal and once pupils have been registered they will move to their new classes. This does not include our Year 6 pupils, who will go directly to their chosen High Schools for their transition days. Year 2 pupils will need a packed lunch for this day, as they will be walked to and from the Junior school. Please indicate whether you wish your child to have a school packed lunch prepared with either cheese or ham filling with the paper slip that will be coming home. It is also at the end of this letter. New Reception pupils will have their transition times confirmed by Mrs. Allen, our Reception teacher.

From September 2022, all classes will begin the day at **8:45AM** with the Infants finishing at **3:15PM** and the Juniors finishing at **3:30PM**. The following locations will be used for each class (see maps):
